Saturday 2nd/3rd March

Arriving at lunch time on Friday, to be greeted by President & his lovely wife Terry & Sue, as well as our Marshall & his lovely lady Wally & Lyn. So it was a quick hello, then get set up, so we can relax as well.

The Rick comes rolling in, in the afternoon, just to unload & rush back to Perth in time to pick Khaydan from school, then wait for his good wife to finish work, so they could all make the trip back together.

In the meantime Stewart & Karan arrived. So then it was time to settle under Terry's awning for the afternoon. By this time Rick & Trudi arrived back, in time to get dinner underway.

So it was decided that everyone adjourn back to their vans to organise evening meals & back out to catching up on what we had all been doing since our last Rally.

Mind you all Rick was worried about was "who was cooking scones for morning tea", let's see if he gets his wish tomorrow. Wally spent part of the evening trying to catch a photo of a possum up a tree near us, as well as a bandicoot, with no luck.

Saturday Morning Tea, with the smell of homemade scones made Karen Reed, Rick was so happy that she went out of her way to make them.

Now onto the important side of things, Terry opened the meeting & welcomed us all, Sewell's, Howards, Reeds, Rowley/Wilson, as well as Wayne & Sue Lanham & Albert & Maree Atkinson, who came in for a very special event. Terry & Julie had the very special task of inducing both couples into the club. So welcome to our newest member's & hope you have many more enjoyable rallies with the club. Raffles were drawn & oh cause all the children winning a prize. We made \$45 (?) on the raffle's which was great considering how many vans we had.

It was good to see Riley come with Khaydan for the weekend & Belinda & Milla come in for part of the day, with Milla staying for the night with nana Sue & poppy Terry.

Morning tea was over & done with & left us with a free afternoon.

The usual sundowners was had in the shade of a tree. Then it was onto our fish & chips for tea. Thanks to Wally & Steve for providing the fish. We peeled chips & thanks to Trudi who brought down her double fryer, as well as fresh salads, made by the ladies, it was all hands on deck to sit & just enjoy the either battered or grilled fish (by Lyn), which was complimented by 2 cheese cakes for desert. Albert & Maree stayed on to enjoy the evening meal with us as well.

Sunday Morning tea was provided by Julie & Sue. Then it was another free day, but no one ventured anywhere. Norma turned up to have lunch & a catch-up with us all, as Arthur is still in QLD.

Sundowner time again & nibbles was again put on by Julie, Sue & Karen. So it was the usual talk until meal time. Then about 9.30 everyone said their goodnights.

Next day time to pack up & head home & bid farewell till we meet again in Mt Barker for Easter.

Couple of notes from our Entertainment Officer, Sue.

The plan for Easter, is The Easter Bonnet, Sue will provide the paper/cardboard for you make your hat, but YOU must bring your own embellishment's to decorate it in your own style.

Also another idea for the ladies or men who would like to be involved, we thought a craft morning or afternoon doing Diamond/Gem Art. You can pick these up from Aldi's, Spotlight or any craft shop. Just thought it would be interesting to just sit around & chatter, while all doing the same craft.

On another note, PLEASE check the Rally Calendar dates & get yourself organized to book your spot, as sites are moving & you don't want be disappointed if you miss out. And remember to let Norma or a committee member if you do book.
