## **TOWING TALES**

NEWSLETTER

CONCORD CARAVANNERS OF W.A.

*Binningup Caravan Park*

*Friday 25<sup>th</sup> / 27<sup>st</sup> Oct.*

*Well this week-end started with a real bang, literally. Friday night (some) of us were woken at 2.30am, by what looked like lightening. It turned out to be a power line come down, with sparks & the start of scrub fire, just outside the park fence. Needless to say that we have no power till 1.00pm Saturday arvo.*

*Now more important things. The Rally. Wow what a turn out, it would have to be the best for a while. Daly's, Lanham's, Thomas's, de Plussis's, Hession's, Rowley, Howard's, Keillor's & of course us.*

*It was great to see the kids all back playing & renewing friendships. Hope we see more of this now with the weather warming up.*

*It was also great to see Stewart & Karen Reed turn up for morning tea. Even better to see Stewart up & on the mend.*

*Terry open the meeting in his usual way, welcoming everyone. We tried our new raffle idea, which seemed to go off well. Raising \$40.*

*With morning tea over, it was off to golf for Wally, Terry, Robert & young Daniel. With myself having to head off to Capel to play pennant lawn bowls. Which left the girls to make their own entertainment.*

*Then Catherine (Cat) turned up with her 2 girls, to pitch their tent outside Mary's van, good to see them as visitors for the week-end. More kids to join in the fun.*

*By now the boys made it back from golf, with a couple complaining about their legs from all the walking of 9 holes.*

*Over in front of Paula & Derek's van the shrill of Trudi's voice was getting higher & higher as the All Blacks getting beaten by England. What made it worse was Rick was actually at the game in Japan, so he was getting the odd phone call from Trudi. But all in good fun.*

*Settling in for the night, all around the 2 fire pits, thankfully not as smoky as the night before, good evening was had by all. With the kids running around with park, with new founds friends that joined in as well. Great to see the children out playing like that. Came 10.00pm, so it was time to say good night to one & all & turn in for the night.*

*Sunday morning saw every one packing up that had to go home. Which left 4 vans staying on till Monday. Howard's, Keillor's, Daly's & us.*

*Well that was the end of another great rally.  
So until we see you at Eaton, please travel safe & stay healthy.  
Cheers, your Editor Vice Pres Steve Sewell.*

*Just a little suggestion for Eaton. There is a planned Pizza night on Saturday night, for those who wish to take part. The idea is, if you wish to do pizzas, you bring all your own ingredients & bases & there will be Weber's for you to cook them on, or for those who don't want to cook, some of us are going to call Domino's for delivery. So this is entirely up to you, what you want to do, who knows you may not even like pizzas, so again your call.*

*Now message from Robert, if you haven't already, he needs to know about the Christmas lunch menu, so if you haven't can you please contact him ASAP!*
