

TOWING TALES

NEWSLETTER of
CONCORD CARAVANNERS OF W.A.

WHITEGUM FARM YORK.
1st-3rd August 2019

There is not much to write about.

We arrived on Thursday, we had been on the road for the last 5 weeks up North. Not long after Terry and Sue arrived they had been to see family in Corrigin. The day was warm and sunny so we sat around telling of our adventures .then we walked around the farm to see what they were doing ,they have a convention room, a small camp kitchen,the ablution block has seperate shower/toilet.a big dam for swimming and fishing catch & release(those poor fish, how many times have they been caught ?) The airstrip is a seperate part of the park.Terry had a new firepit to try out so we lit it,it was lucky we had some wood with us as the farm charge \$25 a bag.once the sun went down it got cold.

Friday:

Terry & Allen went out along the road to get some more wood to last over the weekend,by the time they got back Steve & Julie arrived then Albert & Marie there was only the 4 caravans. they had a walk around after they had settled in.We had 2 fires going by the time the sun had gone down.

Saturday:

Terry,Sue,Steve &Julie went into York which is about 20kms for a quick look around and get a few things at IGA.Some took the opportunity to go & look at the 737 aeroplane that was bought up to use as accommodation when it is finished, they were putting the wings on it but they were having a bit of trouble fitting them. We sat around the fire till late in the evening ,it started to rain so it was off to bed,long long after it rained very heavy.

Sunday:

It was Sue's birthday we all wished her a Happy Birthday and unfortunetley Allen & I left so we didn't get to taste the lovely cake Steve & Julie had bought the rest stayed till Monday.
